

### Here's what happens...

David is the new king, and his enemies are angry. Many years prior, David killed a giant named Goliath...and now people from Goliath's country want to kill David. David asks God very specific questions about how to battle these enemies, and God gives him guidance by telling him what to do.

### Bible Point:

We need God's guidance.

*"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago" (Ephesians 2:10).*

### Family Together Time

- Have a family brainstorm for problems you're facing.
- Each person will write a problem on a piece of paper and put the paper in a basket or hat.
- Got younger kids who can't write? Have them share their problem with someone who can write it for them.
- One at a time, pull the problems out of the basket or hat, and pray for God's guidance.
- Then brainstorm possible ways to handle the problem.

### Talk About This...

- Tell about a time you helped show someone how to do something.
